Information on event

Our Year 6 students have been invited to the GRIP Student Leadership Conference at Civic Theatre, Newcastle. The GRIP Student Leadership Conference concentrates specifically on training students for leadership roles. The style, topics, and content of this conference all focus on what the students can do RIGHT NOW. This conference is ideal for all upper primary students, especially those in their last year of primary school. Students attending do not necessarily need to hold recognised leadership positions, as all upper primary students play an important leadership role in our school.

The conference is broken into four sessions:

1. Developing myself to lead
2. Making a difference to my team
3. Making a difference to my school
4. Making a difference to society.

CLOSING DATE FOR PERMISSION NOTES: 17.05.2023.
