Term Two – Week 2

Tuesday 3rd May, 2016

Welcome back everyone.

We have had a wonderful start to Term 2. Our students turned out in numbers for the Tilligerry ANZAC Day service and our choir led our national anthem with pride. The RSL Sub Branch is very proud of our participation.

The school held its ANZAC Assembly on Friday and it was a proud moment to see our students respectfully reflect on and honour the sacrifice service personnel have made to make our nation what it is today. Our student leaders led our commemorations with respect and dignity and our special guests were moved by our school's commitment to remembering.

School Times

Our school operates from 8:25am until 2:40pm each day and supervision is provided on site during this time. Staff are not on duty before 8:25am and supervision cannot be guaranteed before this time.

Students will be supervised at the end of the school day until collected by their parents or their bus.

Lost Property

We have a lot of unlabelled clothing in lost property. This happens a lot during the change of seasons. The best way to ensure your child brings their clothing home is to clearly label it. When found we will return labelled clothing to students but we can't if it does not have a name on it.

Positive Behaviour For Learning (PBL)

Recently, students, parents and teachers were surveyed in relation to the schools core values and vision. All groups' responses showed a desire for the school to be a positive, respectful and safe place where student learning is at the forefront of our thinking.

These values will underpin our journey through PBL. And will become the way we live our lives at Salt Ash Public School.
