Positive, Respectful and Safe Learners

Term 4 – Week 1

Monday 9th October, 2017

Principal's Report

Welcome back to term 4. I hope everyone had an enjoyable, relaxing and safe holiday. Term 4 is shaping up to be a busy term already with lots of exciting learning to occur.

School Grounds

Over the holidays, we were lucky enough to have some dedicated parents giving up their time to assist with the growing of the lawn in the playground. A big thank you to Mr Knight for his services and to Mrs Creedon and Mrs Kenny for watering the grass each day. In order to continue growing the grass, sections of the playground will be roped off allowing optimal growth. This means students will not be allowed to play in these areas for the time being. Let's hope that we get the rain that has been predicted this week.

Contact with staff

To align with WH&S requirements, parents and community members are required to go via the office if they would like to speak to myself or a teacher. If the office is unattended please take a seat and someone will be with you shortly. Please do not wander through the buildings or grounds. If a staff member is not available to speak to you at this time, an appointment will be made at the earliest convenience.

Camp payments

Just a reminder that the \$75 deposit for camp is due by this Friday. The other three payments of \$75 are required each fortnight after that. Don't forget that the POP system (Parent Online Payments) can be accessed via the school website and clicking on the 'Make a payment' link.

Lunchtime eating

As we are now heading into the warmer months, to promote sun safety in the school we will move back to the COLA to eat lunch. Please remember the 'No hat, no play' requirements of the school. Students will be asked to sit in the COLA if they do not have a hat. There are no 'spare' hats held at the office.

Tell Them From Me surveys

This is the last week to complete the Tell Them From Me survey. Please follow the link below if you haven't already.
