A message from the Principal

PBL

Congratulations to Lucian Knight for being last week's recipient of our Community PBL award last Thursday evening at Raymond Terrace MarketPlace. Lucian was presented with his award Kate Washington. Well done!

This week's PBL focus around students using the verandah areas appropriately. Teacher's have delivered explicit lessons on using verandahs with a particular focus on walking and only being there when required.

Playground update

Last week I received notification that our School Playground has been approved and signed off on from the Department. This means that shortly we should be able to see some construction happening in the playground. Stay tuned for more updates and pictures.

Meetings with the Teacher

If you need to speak to the class teacher please arrange a meeting time, email or phone call to speak to them. Teachers are being caught up as the morning bell goes for 5 minutes. We're just asking you to be mindful that If this occurs to the same teacher each day there has been 25 minutes of vital learning time lost for the week. Thanking you in advance for your assistance with this.

Attendance reminders

If your child is absent from school please phone the school to let us know or send a note to the class teacher on your child's return to school. A text message is sent to parents of students who have an unexplained absence for that day. This text message can also be replied to with an absence reason. Please ensure you accompany your child into the office if your child is late to school, as parents are required to give an absence reason. If students present to the office for a late slip without a parent (or a written note or phone call) an unjustified absence will be recorded for them.

Sharing time

Last week I walked into Mrs Fisher's classroom and I was thrilled to see all of the Stage 3 students sitting on the floor with the K/1 students either reading to them or listening to the younger students read. All students had big beaming smiles on their faces and seemed like they could have stayed there all afternoon. It was such a delightful thing to witness.

Star Struck

A new timetable will be coming home tomorrow with final times for buses. Please remember to send in your child's labeled, plastic tub with lid with their black tights (or shorts for boys), fully black shoes and black socks inside. I am looking for parent volunteers to assist with attaching hat elastic on to hats and ironing and labeling capes. If you can assist with this, please let me know. The dances are coming along well and the show is going to be fantastic. Just over two weeks to go.

Camp

Just a reminder that the second payment for camp is now due. There are still some spaces available for camp. If you still have not indicated whether or not your child will be attending please do so ASAP. Numbers do need to be finalised soon so if you have not yet made a decision please start thinking about it quickly. If you are experiencing financial hardship and require some financial assistance, please see me. Camp notes can be obtained from the 'Notes' section on the school's website or can be collected from the school office.

Office news

There are still quite a lot of outstanding payments for book packs. These are not voluntary, these are a compulsory payment for your child's learning. They include your child's workbooks, pencils, glue sticks, program subscriptions and more. Our school can not afford to supply these items to the children free of charge. Please make your payments for these items so that all of our children can continue to be well resourced for their learning. If you are struggling financially please see Mrs Ryan or Mrs Deguara and we will give you a form for student assistance. If these payments are not made, it impacts on other classroom resources such as our ability to purchase technology items including ipads and STEM equipment.
