A message from the Principal

PBL

Congratulations to Jack Moyle for being this week's recipient of our Community PBL award. Jack received his award for outstanding consideration of others in all settings including at school, on excursions and in the community. He always displays positive values everywhere he goes. Jack was presented with his award by a representative from Michele's Patisserie, Raymond Terrace MarketPlace.

Star Struck

Well done to our 16 Star Struck performers for their HUGE week at Star Struck – Connect 2018. Star Struck week began with a major rehearsal all day Wednesday. Thursday consisted of a technical rehearsal in the morning followed by a dress rehearsal in the afternoon. Finally show time arrived on Friday with two performances, a matinee and an evening performance which was repeated again on Saturday. Each of the four days were long, about 10 hours per day, even returning to school on Friday and Saturday nights at 11:20pm. The two items the students danced to were Don't Stop Til You Get Enough by Michael Jackson and Anything Can Happen from Mary Poppins. Every time they performed they gave their all which was clearly evident from the smile on their faces when they came off stage. All 16 students represented SAPS very proudly, all displaying exemplary behaviour 100% of the time. I am so proud of each and every student. Well done! A big thank you to Miss Broad-

Stranger Danger

In light of the horrific events occurring in Newcastle over the last week, teachers have spoken to students once again about stranger danger and being safe in the community. I ask that you talk also with your children at home about keeping themselves safe in all situations. I have attached an information page to this newsletter with suggested ideas to talk to your children about. Our student's safety is our number one priority.

Office News

Payments to school

As a small school we are not allowed to hold petty cash on the school premises, therefore we do not have any change. Any future payments that are sent into school that require change will be processed and the amount of change will be receipted to any outstanding fees i.e Book packs or General School Contributions. If your child has nothing outstanding then change will be receipted into fees in advance for any future payments. Change will not be receipted to excursions whilst there are outstanding fees. We thank you for your understanding with this matter.

ALL payments and notes are to be given to your child's class teacher so that they can be marked off as being received. Payments and notes will not be received at the office until they have been marked off in the class room folders by the teacher. We apologise if this causes you any inconvenience however teachers need to be aware of who has paid what in their classrooms. If this causes any concern, please contact Mrs Deguara to discuss further.

Kindergarten 2019

We will shortly be beginning the Kindergarten 2019 enrolment process. If you have a child who will be commencing Kindergarten next year, or know of someone who will be, please collect an enrolment form from the front office.

K/1F

On Friday Week 7 K/1F went for a visit to 3/4S to meet their class pets Flossy and Big Mama. 3/4S have 2 guinea pigs and they very kindly allowed us to visit and learn about caring for animals. Mrs Smailes explained to the students about being gentle and quiet when touching and observing them.

The students have been learning about living and non-living things in science with Miss Broadbent and it was interesting to see the students watch and observe the animals look for shelter. We learnt a lot of information about guinea pigs.

Thanks Mrs Smailes and 3/4S

NSW POLICE FORCE CRIME PREVENTION SERIES

Safe people, Safe places

Protect your children

The safety and wellbeing of our children is paramount. As parents and carers we can't always be with our children to advise and protect them.

When out and about, children can be confronted with situations where good decision-making is vital. With this in mind, advising our children with appropriate responses to certain situations will help them avoid trouble and danger.

Here are some simple tips to give your children for when they are out and about.

Protect your child walking home

- **ALWAYS** identify safe places on the way home from school.
- **DO NOT** stop and talk to people you don't know. Go straight home or to your intended destination.
- **ALWAYS** find a safe place if you feel frightened. These include schools, shops, churches or police/fire/ambulance stations and tell them that you are frightened.
- **NEVER** get into a car with someone you don't know.

Protect your child on public transport

- **NEVER** travel in isolated areas. Find crowded carriages, guard's compartment (marked with a blue light) or at the front of the bus.
- **ALWAYS** try to travel in groups of friends if possible.

Protect your child when in public spaces

- **ALWAYS** carry a contact number for your parents. (On a card attached to your clothing, written on your arms or in your phone).
- **DO NOT** walk away from family or friends without telling them where you are going, when you'll be back and who you are with.
- **ALWAYS** walk away from fights or arguments, unpleasant or aggressive behaviour and take your friends with you.
- **REMEMBER**, always tell your parents, carer or teacher if something has happened.
