A message from the Principal

PBL

Congratulations to Jylan Sampson who is this week's Community PBL awardee. He was presented with his award at Raymond Terrace MarketPlace on Thursday night by Jason from Raymond Terrace Bowling Club. Jylan receives his award for 'always helping others. It doesn't matter if they are smaller or bigger than him, he always lends a hand.'

Rewards Day

This Thursday is our first Rewards day for the year. Students who have met the criteria to attend Rewards Day will participate in a movie and pizza afternoon. Students are still required to bring lunch for the day. Congratulations to all of the students who are able to attend Rewards Day and for consistently showing our school's PBL values. Thank you for being positive, respectful and safe learners.

NAIDOC Week

NAIDOC Week falls in the school holiday this year, 8th-15th July. SAPS will take part in NAIDOC celebrations at school on 25th July, the first Wednesday after the holidays. Look out for a note coming home later this week with more information regarding the day. There are many opportunities to participate in NAIDOC activities during the school holidays. Please see later in the newsletter for details.

Lockdown Drill

Emergency planning is a requirement under the Department's Work Health and Safety Policy. The welfare of staff, students and visitors is the key focus of emergency planning. Each term we practice emergency drills. Last Wednesday, all students and staff participated in a lockdown drill. This is to ensure everyone is aware of what to do if this type of situation would ever occur. I want to congratulate all staff and students with their response to the drill. I am pleased to say that whilst checking all buildings I could not see a single student or staff member. Students quickly and sensibly followed the instructions of their teacher and moved to particular spaces in their rooms. Well done.

You Can Do It! Award Recipients

Congratulations go to the following students for receiving their You Can Do It awards for continuing to follow the keys to success of being *Confident, Resilient, Persistent, Organised and Getting Along*.

Bronze: Chloe Anderson, Max Yeark-Moore

Silver: Jasmine Russell

Gold: Cora Middleby

Lawn Bowls

Over the past two weeks I have had the pleasure of taking ten stage 3 students to the Raymond Terrace Bowling Club to participate in training for lawn bowls. These students were trained by ex-national and state players. 6 students will be chosen by the coaches to go on and represent Salt Ash P.S in a knockout competition next term.

Soccer

All term, the newsletter's calendar has been stating that our first knock out soccer game was to be played this Friday. I was advised last week that Fern Bay Public School have forfeited the match which means that we automatically go through to the next round. A date is yet to be confirmed.

School holidays

I want to wish everyone a safe holiday period. The last day of term is this Friday. Students return on Tuesday 24th July. For any school security concerns please call School Security Unit 1300 880 021.

Canteen Orders

The canteen helpers have requested that all lunch orders must be placed in the lunch order box prior to assembly. Our helpers like to attend assembly as well but also need to be organised. Please remind your child/children to place their order in the box when they first get to school. Orders taken to the canteen after assembly will not be processed.
