Swimming Carnival

Congratulations to all of the students who participated in the Swimming Carnival last week whether it was competing in races or enjoying the novelty events. It was such a beautiful day for a carnival and as always our students demonstrated our PBL values of being positive, respectful and safe learners whilst at the pool. I would like to extend my thanks to all of the parents and carers who assisted on the day with time keeping, setting up and packing away and assisting our teaching staff in the smooth running of the carnival. We certainly couldn't do it without the help of our school community.

Congratulations to all of our students who had the courage to participate in events and gain points for their house. Well done to the place getters and also to our swimming champions who are:

Junior boys—Alex Marshall

Junior girls—Kate Slade

11 years boys—Jackson Wolinski

11 years girls—Tara Kenny

Senior boys— Joshua Wolinski

Senior girls—Sierra Desjardins

Congratulations to the winning house—OXLEY.

Congratulations to the following students in qualifying for the zone carnival: Tara, Addison, Lily, Jackson and Aleisha.

Kindergarten 2019

I would like to take this opportunity to congratulate our Kindergarten students for the way in which they have settled into primary school. I was amazed that we had no tears from any of the students in their first few days of big school (I'm sure there were a few tears shed by our kindergarten parents however). A big thank you to our year 6 buddies for supporting their little buddies with their transition to school.

Scripture

Scripture will begin again on Friday of week 4. All classes this year have been allocated a Scripture teacher. All arrangements concerning non-scripture will remain the same as last year unless otherwise provided in writing by parents or carers.

Youyoong AECG meeting

The year's first Aboriginal Education Consultative Group (AECG) meeting will be held this Wednesday at 10am at Dungog Public School. An invitation is open to members of the community who would like to attend these meetings. AECG meetings occur twice a term and are hosted at schools in our local area. Please feel free to come along to find out what is happening in our community, in particular in schools, to assist with supporting and celebrating our Aboriginal students.

Parent Information Afternoon

Don't forget that tomorrow afternoon is our Meet the Teacher afternoon. Please come along to find out about your child's teacher and their class routine and systems. Times are as follows:

3-3:30 K/1F

3:30-4:00 1/2S

4:00-4:30 3/4S

4:30-5:00 5/6H

Concerns you may have

Should you have a social, emotional or academic concern for your child, your first point of contact should be your child's teacher. Class teachers are supporting your child everyday in the classroom and in the playground. I often field phone calls and am unaware of any situation that may have occurred and I need to seek information from the class teacher. In most cases it will be the classroom teacher who will be able to assist you with your concern so please ensure you are in communication with them. If you are not satisfied after speaking with your child's teacher I will certainly be available to discuss your concerns.
