Zone Swimming Carnival

Congratulations to Tara, Addison, Lily and Aleisha who competed at the Zone Swimming Carnival last Friday. All girls demonstrated our PBL values and represented our school very proudly. A special mention to Addison for coming 2nd overall in backstroke. We are still waiting to hear if she will be selected in the regional team. Well done girls!

Debating Workshop

Last week Miss Nash took 4 budding debaters over to The Junction Public School to participate in a debating workshop. There, Emily F, Emily T, Tara and Addison learnt the skills of rebuttals, arguments, definitions, and speakers roles as well as some workshop games and activities. The skills and strategies acquired from these workshops will again be applied later in the year when we participate in the debating competition.

Up&Up artwork workshop

Shane and Faith from Up & Up came in last week and ran an environmental education workshop with stage 3. They discussed the importance of keeping our community public spaces clean and free of rubbish and brainstormed ideas turning them into a rap song. Students were then able to design their own slogans about putting rubbish in the bins and then transferred these to an artwork.

Office news:

Combined permission notes:

All students have been issued with a Combined Permission Note. Each student must have their own completed form. They are due back at school this Friday 1st March.

Student Details

Student details forms have been sent home with ALL students today. This form shows the details we have for your child on file. If any of these details are incorrect, please adjust them by writing the new details on the form and send it back to school. Even if all details are correct, please sign the form and send it back to school. These details are of high importance as we use these to contact home if your child is sick or in case of emergency. Please ensure that your emergency contact details are up to date. If at any stage during the year you change phone numbers or have a new address please let the office know so we can update our system.
