PBL

Congratulations to Sophie Robinson for being this week's Community PBL award winner. Sophie was nominated for "*displaying integrity in all situations. Sophie is always a positive, respectful and safe learner at school and in the community.*" Well done Sophie! This week I had the privilege of presenting the awardees with their PBL certificates. I was also able to showcase what a wonderful school Salt Ash Public School is to the Raymond Terrace Community PBL Group and community.

Kindergarten 2019

Our Kindergarten 2019 orientation process is about to commence. There will be three orientation sessions where our new kindergarten students will join with this year's kindergarten to participate in school activities, preparing them to start school next year. Year 5 buddies will also accompany our newest students during their visits to Salt Ash Public School. They will demonstrate how to be positive, respectful and safe learners. Kindergarten 2019 parents are invited to attend an information session. This will be held in the school library during the first orientation visit on 29th October beginning at 10am.

Christmas Show and Shine

Our school choir and dance group have been invited to participate in Raymond Terrace MarketPlace Show and Shine where Santa will be making his big arrival. There will be a stage set up on the oval next to the MarketPlace for students to perform on. We will also be able to take part in Santa's parade. This will occur on Sunday 11th November from 10am. Please let Mrs Smailes or Mrs Deguara know if your student is involved in either dance or choir and is unable to make this performance on this Sunday.

Life Education

All students will participate in Life Education lessons this week. Each class will attend a lesson in the Life Education van and visit Healthy Harold who will teach lessons based on the PDHPE syllabus. Once again, a special thank you to Lemon Tree Bowling Club for kindly covering the costs for all students at SAPS to attend. Thank you for your kind generosity.

Year 7 Selective High School Placement for 2020 (current year 5)

Selective high schools cater for high achieving academically gifted students who may otherwise be without sufficient classmates at their own academic and social level.

Parents must apply online at the following link:

<https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7> and should read the instructions carefully. Applications are available between 9th October and 12th November 2018.

Parents who would like their child to sit the selective assessment must apply before the closing date. It is also requested that parents complete an 'Intention to apply for Year 7 entry to a selective high school in 2020' form.

The Selective High School Placement Test for entry to Year 7 in 2020 is held on 14th March 2019 in test centres. The test has multiple-choice questions in reading, mathematics and general ability and a writing component.

Please contact the office if you would like more information.
