Information on event

The Department of Education School Swimming Scheme is an intensive learn to swim program, which develops water confidence and provides students with basic skills in water safety and survival. The scheme is conducted over ten days – each lesson is 45 minutes.

Students who have not reached a satisfactory standard of water safety and survival skills and are unable to swim 25m confidently unaided in deep water, are eligible to participate in the School Swimming Scheme. The scheme focuses on weak swimmers in Years 2 – 6.

Competent swimmers will receive instruction based on their ability and be expected to develop their swimming stamina.

The total cost for the 10-day scheme is \$90.00 and includes transport plus pool entry. (*This has been subsidised by the school*).

PLEASE NOTE: We have been advised that families who have season pool passes are unable to use them for this School Swimming Scheme.
